Gun Involved Violence Elimination (GIVE) Initiative Annual GIVE Shooting Activity Report

Data Reported through December 31, 2024
Issued Date: March 10, 2025

Data included in this report are preliminary and subject to change.

The state Division of Criminal Justice Services (DCJS) provides funding to police departments, district attorney's offices, probation departments, and sheriff's offices in 21 counties outside of New York City through its Gun Involved Violence Elimination (GIVE) initiative. GIVE funds personnel, overtime, technology and equipment, and DCJS provides focused training and technical assistance, so participating agencies can address shootings, shooting deaths and firearm-related violent crimes.

There are 28 police departments in those counties that are required to report shooting incidents involving injuries, the number of individuals shot, and the number of individuals killed by gun violence to DCJS. Those agencies are divided into two tiers:

Tier I police departments focus on reducing the number of shootings and fatalities: Albany, Buffalo, Hempstead, Mount Vernon, Nassau County, Newburgh, Niagara Falls, Poughkeepsie, Rochester, Schenectady, Suffolk County, Syracuse, Troy, Utica, and Yonkers.

Tier II police departments focus on reducing firearm-related violent crimes (murder, rape, robbery, aggravated assault): Amherst, Auburn, Binghamton, Cheektowaga, Elmira, Greece, Ithaca, Jamestown, Kingston, Lackawanna, Middletown, Spring Valley, and Watertown.

Data Definitions

Shooting Incidents Involving Injury or Death: The number of shooting incidents that resulted in one or more persons injured or killed by a bullet. These data do not include shooting incidents determined to be non-criminal (i.e. Accidental discharge or justifiable homicide)

Shooting Victims: The number of individuals shot by a bullet; this total includes the number of individuals who died as a result of being shot by a bullet.

Individuals Killed by Gun Violence: The number of shooting-related homicides.

Note:

The Albany, Binghamton, Buffalo, Hempstead, Jamestown, Kingston, Middletown, Mount Vernon, Nassau County, Newburgh, Niagara Falls, Poughkeepsie, Rochester, Schenectady, Spring Valley, Suffolk County, Troy, Utica, and Yonkers police departments have participated in GIVE since it began in 2014.

DCJS expanded the initiative in 2023 to include Amherst, Auburn, Cheektowaga, Elmira, Greece, Ithaca, Lackawanna, and Watertown. These agencies have reported three shooting data metrics since 2021; no shooting data from these jurisdictions prior to that year is included in GIVE Tier II totals.
