

50.6 Aids for Detecting Deception

OPERATIONS

STANDARD 50.6

The agency has a written directive that governs the use of technical aids for the detection of deception. The written directive must include provisions for:

- A. Employee use of equipment owned by the agency;**
- B. Employee use of equipment owned by another agency or entity; and/or**
- C. The function, if performed by another agency.**

Compliance Verification Strategies

Assessors may seek to verify agency compliance with this standard by using one or more of the strategies listed below. There may be other strategies identified by the agency which could also be acceptable.

1. A copy of the written directive is available for review.
2. A list of all examiners is provided.
3. The MOU or other type of written agreement with another agency (if applicable) is available for review.
4. Interview(s) with examiners to verify their knowledge and compliance with the directive.
